

For the past twelve years, the youth of the Basilica Shrine of St. Mary have embarked on a wonderful ministry of delivering poinsettias and Christmas cards to our sick and/or homebound during the Advent season.

To help support this very important ministry, we are selling 6 inch multiple bloom, florist quality poinsettias. The \$15 cost will purchase one flower for you **and** one flower for one of our sick and/or homebound. Once we have raised enough to provide a poinsettia for all of our sick and homebound, the remaining money will be used toward our Faith Formation/youth program. **The deadline for ordering is Tuesday, November 22nd, and pickup of the flowers will be from 10 a.m.- noon, Saturday December 3rd in the Tileston Center.** Please prayerfully consider purchasing a poinsettia to help support the St. Mary youth and their endeavors.

In Christ,
