

Well, it's been two months, and we are still going strong! We're all missing Sr. Isaac, but I know she's proud of us for carrying on as best we can. I can't say thank you enough for everyone's help and support during this transition. Donations of all kinds continue to pour in.

The Clothing Team and Household Team have done a wonderful job of keeping up with tons of clothes and household goods and furnishings we've received since January.

The Food Department has handled more food than I've seen in ages - two huge shipments from TEFAP, the 'Souper Bowl' collection from Immaculate Conception and the Knights' food drives. And our shoppers continue to do their work to keep us stocked with diapers, hygiene items, food, work boots and office supplies.

We've had many busy days and our intake people and interviewers have done their best to keep things running smoothly. Behind the scenes, all the administrative staffers are helping me get organized.

A big Thank You goes out to the 'Thank You Card' team; you've been a blessing helping to carry on Sister's tradition of acknowledging our donors' support.

We have put together a Board of Directors for the Center.

Marge Kempf, Steve and Mary Levesque, Jim Patton, and Elsie Peterson have signed on to support me.

Of course, Sr. Isaac is an honorary member.

Over the coming months, we'll be meeting regularly to discuss the Center. Feel free to share any concerns or suggestions for improvements - we are open to your ideas.

Interviewers--

If you have a guest who needs boots for work, check with the Office; we keep a supply on hand.

Have a guest that needs clothes we don't have? Speak to Mary Ann. We may be able to give them vouchers for the Bargain Box.

A heartfelt thank you to everyone who has come to me personally to offer your support and encouragement.

I know that Sr. Isaac is irreplaceable, but I promise to do my best to join with all of you to continue her work.

Blessings to all.

Mary Ann
