

Sister Isaac is alive and well and tending to the gardens she loves! Hasn't learned how to manage the riding mower yet, but it's on her bucket list. Several of our volunteers have dropped in to visit with her, and several more have Rhinebeck on their travel itineraries. If you are ever in the area, be sure to contact her - she enjoys visitors.

Sad to report that a long-time friend and volunteer at Outreach, Marilyn Boehling, passed away May 14. She was a kind and gentle soul. May she rest in peace.

VOLUNTEER APPRECIATION LUNCHEON
IN THE UPPER ROOM

(We won't have the benefits of Sister's culinary skills, but hopefully some of our talented volunteers will use some of her recipes to share some desserts.)

We have lots and lots of clothes available -
- feel free to share lots with our guests!

Last week, Mary Levesque and I attended a gathering hosted by the Catherine Kennedy Home Foundation. Once again, we were recipients of a \$15,000 grant to assist the elderly. We had a pleasant afternoon mingling with many of the other recipients. Last year, we were able to share these funds with 100 Seniors. We are blessed to know that the Foundation is still supporting us as we carry on Sister Isaac's work.

There aren't enough words to express my gratitude to EVERYONE for your continued support! I don't always have time to stop and chat, but please know that I know everyone is doing their part to keep things going!

Best Wishes to our "retiring" volunteers:
Stephanie Chamberlain who is moving to New Jersey,
Mary Haney who is moving to Vermont, and
Pat Patrignelli who will be soon be heading to Connecticut.
We wish them all the best as they relocate to be near their families.
They'll be missed!

Reminder: In cases of bad weather, we close whenever the New Hanover Schools close. If there is a "delayed opening," we try to open at our normal time with any volunteers who are able to drive in safely.
