

Most important,  
a **BIG REMINDER**  
for the July 19 luncheon

in the Upper Room from 12:00 - 2:00 .

Watch for invitations going out soon!

Thanks to funding we've received, the Board has lots of plans for August.

A hot water heater will be installed to service the laundry area and restroom.

The laundry room floor will have some tile work done.

Both restrooms will be remodeled.

The interview room will be re-configured including new furnishings.

All the floors will be painted.

Steve Levesque is heading up the Fixer-Upper work effort; some of the work will start soon and will continue through August. If you are handy with tools and would like to help out, please contact him with your availability. He'd love to have your help!

The heat of summer can cause discomfort for many of our guests and may impact their attitudes as well. Keep in mind that we go home to our nice air-conditioned homes, but most of them don't. It may take a little extra patience to deal with some of our guests in the summer.

Summer is a busy place at the Center. We've had several young volunteers helping us out during their break from school as well as friends and relatives of our volunteers that are here on a visit. We welcome them all!

Interviewers: Remember that we usually have new, steel-toed work boots available if you are serving a guest that is need of them for an existing job or an upcoming job. (Steel-toed boots are a requirement for many of the day-labor opportunities.) Check with the office and tell us the size needed.

Summer is also a time to think about clearing things out. We like to clear shelves and deplete our inventory as much as possible; so, be generous helping our guests. **(Don't worry about giving too much away - we will be able to restock when the donations start back up in September!)** We have lots of cleaning, painting and fixing up planned for August, and it helps if we have clear space to work in.

If you ever have a challenge dealing with a guest, please feel free to find me and I'll help to resolve any issues.

Thank you all for your hard work and the good work we are able to do.

Mary Ann Kotas, Director  
The Sister Isaac Center  
412 Ann Street  
Wilmington, NC 28401
