

Congratulations to Steve Levesque and his team for all the improvements to the Center. It's been fun to see everyone's reactions when they admire it all — the floor was painted from front to back; both restrooms were upgraded, including a new hot water heater in the laundry area; the 'hole' in the tile floor disappeared; and, most notably, the interview room was reconfigured with new walls, improved office space for the administration gals and 7 efficient interview stations. Steve was the mastermind behind it all. He drew up the design implementing everything on our wish list. He had help from our volunteers and a few of the Knights. Tim Martin was hired for the painting. All of the work was funded by a very generous donation from one of Sr. Isaac's loyal donors. Marge Kempf, Barbara Ruzsala and Betty Gambale spent hours organizing and adding finishing touches. Thank you to everyone who helped!

Lost and Found

Have you left anything behind after working at the Center? There's a 'Lost and Found' bin in the office ... it has an umbrella, a set of keys (not car keys), a few beverage containers, and a red windbreaker. Anything look familiar?

Looking for Food Lion volunteers to do pickups one day a month. Talk to me if you are interested.

Mark your calendar - our annual Quarter Auction is this month. It's a fast-paced auction where you can bid on items using quarters instead of larger sums of money. It's a fun day and all the profits benefit the Center.

Saturday October 28, 2017

11:00am - 2:00pm

St. Mary School Cafeteria

Tickets are \$5.00 in advance; Available at the Center or St. Mary Parish Office

Guess who's coming to visit????? There's not a day that goes by without volunteers or guests asking how Sister is doing; she's been doing very well

- see how her garden grows! I'm excited to say she's coming to town in October. She'll be joining the Parish's bus trip to the Cathedral on October 21, she'll be spending time with us at the Center during the following week, and she'll be our guest at the Quarter Auction on October 28th. She is as anxious to see us as we are to see her!

The Center will be closed for Thanksgiving the week of November 19th. We'll do our Thanksgiving Basket distribution on Tuesday, the 21st; and I'll be needing lots of volunteers to help—we'll especially need some with 'muscle.'

Been wondering why you haven't seen a newsletter in awhile? We've had a bit of a computer problem and lost our mailing list but we are back in business now!
